Bare-faced coruminates with the fawner  
Laying the blame with the martyrs

Naked emperor, little fomenter  
Twin-faced, coruminates with the martyrs  
Laying the blame on the fawner

Your past, waiting in the wings  
Using flashbacks to draw people into the polarity within  
Shooting arrows from the sidelines to fabricate the win

High above your station  
Crying down on the selfless few  
Self-obsessed pollution  
Your sole antagonist is you  
I've a fairly clear solution  
Honour those who have bled for you  
Though I have come to the conclusion  
You'll pass the blame no matter who
