

Ain't Nobody

Alvin Lee

Ain't nobody hangin' 'round
Guess they've all gone into town
I just got up too late
So now I'm goin' down
I feel left out again
Feelin' so alone
I'm gonna write and phone

Ain't nobody on the street
Guess they've all got friends to meet
It's been this way before
At least a thousand times
Got to leave this place
Before it drags me down
Cause I was born to move around

Yes, it's been such a long time
Since I saw you
Wonder if you think of me
Yes, it's been such a long time
can't remember when
Will we go back again

Ain't nobody hangin' 'round
Guess they're all out of town
Ain't nobody gonna hang on the line
Guess I stayed so long
My feet sank in the ground
Cause I was born to move around
