Through with Your Lovin'

Alvin Lee

```
Ahh, come on.......
Come on.........

Ain't nothin' I can tell ya - Be gone, thanks a lot
Know you think I'm comin' back - But not til you give up
Baby, I'm through with your lovin' - Cause you always cause me
pain
Yes, I'm through with your lovin' - Baby, I won't come back aga
in

There ain't nothin' I can tell ya - That makes you even smile
Bitchin' with ya every night - Just ain't my kinda style
So, I'm through with your lovin' - Cause it don't do me no good
Well baby, I'm through with your lovin' - Cause it don't do wha
t it should

There ain't nothin' you can give me - That hasn't got a price
Hang me up, bring me down - I don't think that's nice
So I'm through with your lovin' - Cause it only makes me sore
Baby, I'm through with your lovin' - And I won't come back no m
ore
