

Enigma (Give a Bit of Mmh to Me)

Amanda Lear

Give a bit of mmm to me
And I give a bit of mmm to you
Give a bit of mmm to me
And I give a bit of mmm to you

And your eyes like a laser
Every time could be deeper

Give a bit of mmm to me (You're a mystery)
And I give a bit of mmm to you (It's so confusing)
Give a bit of mmm to me (You're a mystery)
And I give a bit of mmm to you (Or am I dreaming?)

Are you devil or angel?
Are you question or answer?

For you I break all the rules
And for you I go to the moon
'Cause you're the one
There's no-one else

For me you are an enigma
For me you really are a mystery

A mystery
A mystery (A mystery)
A mystery (A mystery)

I just can't make you out
Are you real?
Or am I dreaming?
This is all very confusing
Especially when you start singing

Give a bit of mmm to me (You're a mystery)
And I give a bit of mmm to you (It's so confusing)
Give a bit of mmm to me (You're a mystery)
And I give a bit of mmm to you (Or am I dreaming?)

Are you devil or angel?
Are you question or answer?

For me you are an enigma
For me you really are a mystery

A mystery
A mystery (A mystery)
A mystery (A mystery)

For you I break all the rules
And for you I go to the moon
'Cause you're the one
There's no-one else
There's no-one else (There's no-one else)
There's no-one else (There's no-one else)

Give a bit of mmm to me (You're a mystery)

And I give a bit of mmm to you (It's so confusing)
Give a bit of mmm to me (You're a mystery)
And I give a bit of mmm to you (Or am I dreaming?)

Give a bit of mmm to me (You're a mystery)
And I give a bit of mmm to you (It's so confusing)
Give a bit of mmm to me (You're a mystery)
And I give a bit of mmm to you (Or am I dreaming?)

Give a bit of mmm to me (You're a mystery)
