

Fallin' in Love Again

Amanda Lear

I'm so tired, of falling in love
I'm finding it easier, to fall out
I can't deny it, I feel it inside
I'll keep its fire, oh you can't hide

I'm falling in love again
Ain't nothing I can do
Falling in love again
And this time its with you
When I fall
It's always the same
And I'm so tired of playing this game

Been so long now
Since I gave up my heart
I've kept it locked down
I don't want to get it harmed
So let me tell you know
I just want to be sure that you won't hurt me
Can you promise me that

I'm falling in love again
Ain't nothing I can do
Falling in love again
And this time its with you
When I fall
It's always the same
And I'm so tired of playing this game

You got to tell me
If you're gonna break my heart
'Cause I don't want to take the chance
And if it ain't true
It's all gonna be nothing but a poor romance

So give me that promise to hold on
And Ill never let you go
We gotta have something to go on
I'm letting you know now

I'm falling in love again
Ain't nothing I can do
Falling in love again
And this time it's with you
When I fall it's always the same
And I'm so tired of playing this game
