## **Sloe Gin**

**Amanda Shires** 

Sloe gin getting through them quick It gets clearer the closer we get Are you feeling it? Are you noticing that we're breathing the same air? Breathing the same air The same air At the same time Sloe gin pouring in 2 turns to 3 and now you're leaning in It's easy, isn't it? Are you noticing that we're breathing the same air? Breathing the same air The same air At the same time Sloe gin it's not a lie It doesn't make things magically appear That weren't already there Are you noticing that we're breathing the same air? Breathing the same air The same air At the same time Are you noticing that we're breathing the same air? Breathing the same air The same air At the same time Are you noticing that we're breathing the same air? Breathing the same air The same air At the same time
