

Brainstorm, take me away from the norm  
I've got to tell you something, this phenomenon  
I had to put it in a song and it goes like

Woah, amber is the color of your energy  
Woah, shades of gold displayed naturally

You ought to know what brings me here  
You glide through my head blind to fear and I know why

Woah, amber is the color of your energy  
Woah, shades of gold displayed naturally

Woah, amber is the color of your energy  
Woah, shades of gold displayed naturally

You live too far away, your voice rings like a bell anyway  
Don't give up your independence unless it feels so right  
Nothing good comes easily, sometimes you've got to fight

Woah, amber is the color of your energy  
Woah, shades of gold displayed naturally

Launched a thousand ships in my heart, so easy  
Still, it's fine from afar, and you know that

Woah, brainstorm, take me away from the norm  
Woah, I've got to tell you something
