

Passing Bells

Amberian Dawn

Passing Bells
Passing Bells
Call for me
In my shroud
I'm sentenced to death
Passing Bells
Call for me
In my shroud
I wait for final call
When the morning comes
I will hear the death drums
Calls for me the last march
Calls for me the last march
At the dead's door
I will feel no agony
And I'll accept my destiny
I'll accept my destiny
Passing Bells
Call for me
In my shroud
I'm sentenced to death
Passing Bells
Call for me
In my shroud
I wait for final call
For the last time
I will see the sky at morn
And walking towards ending
Walking towards ending
Still feel ?
Until I breathe my final breath
At last I will be free
At last I will be free
