Don't Cry Baby

America

Starlight falling through your hair Sometimes I wonder if you know I'm there Awake in the morning a smile on your face The same old feeling that I just can't place

And you say don't cry, baby You know I'll always be the one who cares Don't cry, baby Come closer let me wipe away your tears

A man came in with a violin

He played for me like I've never been

Courted before and forevermore

As the bow touched the strings

He made the whole world sing

Don't cry, baby (Baby, don't you cry)

You know there'll always be someone who cares

Don't cry, baby (Baby, don't you cry)

Come closer let me wipe away your tears

I know I've been wrong
You've had to be strong
I guess I belong to you, my baby
(Baby, don't you cry)
You know I'll always be the one who cares
Don't cry baby (Baby, don't you cry)
Come closer let me wipe away your tears

The sound of your voice singing songs in the night Have taken me far away and mystified

The songs of the lovers brought tears to my eyes

The words that you'd spoken made me realize
