Muskrat, muskrat candlelight
Doin' the town and doin' it right
In the evenin'
It's pretty pleasin'

Muskrat Susie, Muskrat Sam
Do the jitterbug out in muskrat land
And they shimmy
And Sammy's so skinny

And they whirled and they twirled and they tangoed Singin' and jingin' the jango Floatin' like the heavens above It looks like muskrat love

Nibbling on bacon, chewin' on cheese Sammy says to Susie "Honey, would you please be my missus?" And she say yes With her kisses

And now he's ticklin' her fancy Rubbin' her toes Muzzle to muzzle, now anything goes As they wriggle, and Sue starts to giggle

And they whirled and they twirled and they tangoed Singin' and jingin' the jango Floatin' like the heavens above It looks like muskrat love

La da da da ...
