To each his own it's plain to see To walk alone you have to be It's all for you and all for me You'll see

I'm gonna miss you, yes, I will No matter who you are, I'll love you still For my life is my conscience, the seeds I sow I just wanted to let you know

Familiar faces that I've seen
Turnin' red and turnin' green
They just got caught with writing on their sleeve
I guess I'll leave

I'm gonna miss you, yes, I will No matter who you are, I'll love you still Will you cancel my papers and lock the door 'Cause I ain't gonna be 'round no more?

Will I make it through the summer Breaking ties with the old and new? Losing one just gains another There is nothing I can do

I'm gonna miss you, yes, I will No matter who you are I'll love you still For my life is my conscience, the seeds I sow And I just wanted to let you know

I'm gonna miss you, yes, I will No matter who you are, I'll love you still Will you cancel my papers and lock the door 'Cause I ain't gonna be 'round no more

I'm gonna miss you, yes, I will No matter who you are I'll love you still For my life is my conscience, the seeds I sow And I just wanted to let you know
