

Bones

American Aquarium

There's a cold wind blowing
Ever since you've been gone
Cold wind blowing through my bones

It's a pain that I can't take
It's a shiver I can't shake
Cold wind blowing through my bones

Got this sickness
That the doctor's just can't fix
Got old habits I can't kick

It's a pain that I can't take
It's a shiver I can't shake
Cold wind blowing through my bones

It goes
Oooooooooo
Ooooooooooh

And what are we fighting for
I don't think I love you anymore

Every time I close my eyes

I only see your face
A memory I just can't erase

She still thinks I love you
God I hope she never knows
Just how hard that cold wind blows

'Cause it goes
It goes
Oooooooooo
Ooooooooooh

And what are we fighting for?
I don't think I love you anymore

There's a cold wind blowing
Ever since you've been gone
Cold wind blowing through my bones

It's a pain that I can't take
It's a shiver I can't shake
Cold wind blowing through my bones
