

## Meredith

### American Aquarium

Oh lay your head down, my darlin'  
And say a prayer for me  
'Cause I'm broken down and abandoned  
If this is love, it's nowhere I want to be

All those other boys you call lovers  
So quick with your heart and soul, easy to sell  
They're the demons who walk through my bedroom every night  
And for that, I hope they burn in hell

Oh Meredith  
Oh Meredith  
Oh Meredith, I'd change for you

When you pull me out of a thunderstorm

And you dried me off, threw me back out again  
And the hardest part of fallin' out of love  
Is falling back in

Oh Meredith  
Oh Meredith  
Oh Meredith, I'd change for you

I don't know if I ever fell for you  
Hell, maybe I just fell for the part  
But you taught me a body on those cold dark nights  
Is the best cure for a broken heart

Oh Meredith  
Oh Meredith  
Oh Meredith, I'd change for you
