

'Til The Final Curtain Falls

American Aquarium

I'll be yours 'til that final curtain falls
I'll be yours forever and a day
'Til the van's all packed
'Til the stage lights fade to black
I'll be yours 'til that final curtain falls

You're the only one I can count on to be in my corner
You're the only one that hadn't turned to walk away
You're my best friend, my lover and a true companion
I'll be yours 'til that final curtain falls

I'll be yours 'til time screeches to a halt
I'll be yours 'til that last grain of sand
Finally decides to pass
Through that great big hourglass
I'll be yours 'til time screeches to a halt

You're the only one I can count on to be in my corner
You're the only one that hadn't turned to walk away
You're my best friend, my lover and a true companion
I'll be yours 'til that final curtain falls

I'll be yours 'til that yonder roll is called
I'll be yours 'til the Maker we both meet
And just know where you decide
To go, I'll be right behind
I'll be yours 'til that yonder roll is called

You're the only one I can count on to be in my corner
You're the only one that hadn't turned to walk away
You're my best friend, my lover and a true companion
I'll be yours 'til that final curtain falls
I'll be yours 'til that final curtain falls
