

# I'm a Fool

American Hi-Fi

Got nothing to loose this time  
and I'm bored with the same old lines  
I never know what to do or what to say to you  
one look and you'll knock me out  
you put me on the floor with a ten count  
I don't wanna make a scene I gotta make you see  
that I've been waiting for a girl like you  
and I know there's nothing I could do

R: Don't wanna make you hurt  
don't wanna make you feel  
like the world ain't on your side  
like you're never gonna get it right  
no I can't fight I can't sleep at night  
just thinking about you girl  
I'm a fool for you  
yes I am

You've been on my mind  
since I saw you walking by  
I knew I had to know you better you were everything  
but I didn't know what to say  
so you just walked away  
I couldn't believe what a fool I was to let you go  
cause that I've been waiting for a girl like you  
and I know there's nothing I could do

R:

Yeah

Then I saw you at the beach talking with my friends  
I couldn't believe my eyes it was my lucky day  
so I just asked you out to the Forum to see No Doubt  
when you said you would go I thought I might explode  
cause that I've been waiting for a girl like you  
and I know there's nothing I could do

R: (2x)

Yes I am  
I am a fool for you  
yes I am  
I am
