

Safer on the Outside

American Hi-Fi

I'm no good
I feel too small
something's gonna burn
sink on you
drunken highways
someone take the wheel

R: Faded in the blackout you left me in
it's safer on the outside
I'm swimming in
this kerosene it's hard to breathe
statics got me down

I can't sleep
I'm disconnected
everything went wrong
and certain stars
are sad and bruised like
someone's cheating heart

R: (3x)

Got me down, got me down, got me down
safer on the outside, safer on the outside
safer on the outside
