## **Children of the Grave**

## **Amon Amarth**

Revolution in their minds — the children start to march Against the world in which they have to live and all the hate that's in their hearts
They're tired of being pushed around and told just what to do
They'll fight the world until they've won and love comes flowing through

Children of tomorrow live in the tears that fall today Will the sun rise up tomorrow bringing peace in any way? Must the world live in the shadow of atomic fear? Can they win the fight for peace or will they disappear?

So you children of the world, listen to what I say
If you want a better place to live in spread the words today
Show the world that love is still alive you must be brave

Or you children of today are Children of the Grave, Yeah!
