

Sounds of Home

Amoral

Just a sign
A sign to know you're whole
Random lines
A note to calm my soul

Disappeared
Long gone the sounds of home
Disappeared
I guess I should have known

Tuning out advice from early on
Unusual drive to come undone
Instead of a fight
you chose to run
And you were not the only one

In the dark, not much left to enjoy
Dear god, please bring me back my boy

Tuning out advice from early on
Unusual drive to come undone
Instead of a fight you chose to run
And you were not the only one
