

Love Me Again

Ana Popovic

I've waited along time
For you to show
Am I standing in the right line, babe
Well please let me know
Tangled up emotions
I can't free myself
I can't help it, babe,
I'm drowning in your wishing well
Will you love me one time ?
Will you love me again ?

Well, I'm walking a fine line
Down the middle of the road
And I'm stuck in the meanwhile
Between the highs and the lows
I would swim the ocean
Just to let you know
Of my deep devotion
Baby, I just can't let you go
Will you love me one time ?
Will you love me again ?

Don't be scared now,
I ain't crazy
I just want to love you.

Well you might as well give in
Cause I ain't givin' up
Ya know it ain't no sin
So drink from my cup
Will you love me one time ?
Will you love me again ?
