

## Loudest Stereo

### Anal Cunt

This stupid slut brought me home last night  
I robbed her after I got laid  
I stole her stereo, it's the loudest ever made  
I crank it up to ten all night, I'm much sicker than you  
I'm crankin' Anal Cunt, Buckcherry, and Mötley Crüe

R:

Are you ready, are you ready, are you ready to rock?  
I've got the loudest stereo on the block

R:

Loudest stereo on the block (2x)

My stereo's so f\*\*king loud the old people moved away  
All the sluts moved into town and they're here to stay  
All day long, I've got sluts riding on my cock  
I love metal, I love pussy, I f\*\*king love to rock

R:

I've got porn stars and junior high girls hanging out  
My game of black jack's a nine and twelve year old  
putting out  
I don't wanna waste my time with stupid f\*\*king cock  
teases  
All they'll get from me are a bunch of diseases
