

Left Outside Alone

Anastacia

B **C**
1. All my life I've been waiting
Dm
for you to bring a fairy tale my way
B **C**
Being living in a fantasy without meaning
A
It's not okay I don't feel safe
I don't feel safe

Dm **Dm** **Dm**
Left broken empty in despair
Dm
Wanna breath can't find air
Gm
Thought you were sent from up above
Gm **B**
But you and me never had love
B **A**
So much more I have to say
A **Dm**
Help me find a way
Dm
And I wonder if you

B
R: Know how it really feels
C **Dm**
To be left outside alone
When it's cold out here
B
Well maybe you should know
C
Just how it feels
Dm
To be left outside alone
A
To be left outside alone

2. I'll tell you
B **C**
All my life I've been waiting
Dm
for you to bring a fairy tale my way
B **C**
Been living in a fantasy without meaning
A
It's not okay I don't feel safe
Dm
I need to pray

Why do you play me like a game
Always someone else to blame
Careless, helpless little man
Someday you might understand
There's not much more to say

But I hope you find a way
Still I wonder if you
