

# Take Me (As You Found Me)

Anberlin

The ground is shaking underneath, now that you're here  
A body's skipping beats when you appear  
The world is on fire, since you've come here  
What if every desire is here with me?

You're here with me  
You're here with me  
You're here with me

Take me as you found me,  
Take me as you found me  
Or leave me to die  
Leave me wanting,  
Leave me wanting  
The rest of your life

Who's gonna drink my blood, now that you're gone.  
Who's gonna ride up my roads now that you're gone?  
Who's gonna tear my flesh with a siren song?  
Now that you're gone,  
And now that you're gone.

Take me as you found me,  
Take me as you found me  
Or leave me tonight,  
Leave me wanting,  
Leave me wanting  
The rest of your life

Take me as you found me,  
Take me as you found me  
Or leave me to die  
Leave me wanting,  
Leave me wanting  
The rest of your life,

The rest of your life.

You left me stranded,  
Oh, now that you're gone.  
Don't leave me standing,  
Oh, here on my own.

Take me as you found me,  
Take me as you found me  
Or leave me tonight,  
Leave me wanting,  
Leave me wanting  
The rest of your life

Take me as you found me,  
Take me as you found me  
Or leave me to die  
Leave me wanting,  
Leave me wanting  
The rest of your life,  
The rest of your life
