

We Owe This to Ourselves

Anberlin

Since when did bullets stop to sing?
(It didn't have to end like this)
Is this the end of everything?
(It didn't have to end like this)
I feel, I feel, we can't stop here,
I feel, I feel, we won't stop here,
It didn't have to end like this,

We owe this to ourselves,
We owe this to ourselves,
We can't just let this go,

We owe this to ourselves,
We owe this to ourselves,
We just can't let this go,

If every man became a king,
(We could start it all with this)
We could do more than just dream
(We could start it all with this)
Well I feel, I feel, the change is here,

We owe this to ourselves,
We owe this to ourselves,
We can't just let this go,

We owe this to ourselves,
(Somebody, help)
We owe this to ourselves,
We just can't let this go,

We owe this to ourselves,
(We owe this to ourselves)
We owe this to ourselves,
We can't just let this go,

We owe this to ourselves,
(Somebody, help)
We owe this to ourselves,
We just can't let this go
