

Homeless

Andrew Allen

My inner orchestra began to play, as the ship was sinking
Thought I'd drown the day she went away, but I didn't
Sold the house, and I'll be moving out, I no longer own this
If home's where the heart is, I'm not homeless

Took that first kiss so serious
I was hoping that you felt it, 'cause I felt it

I'm so over being down down down
I'm so fucking high right now
It's you that turned it all around
It doesn't get better than this, come closer and
Tell me you're down down down
To fall in love for real right now
'Cause if home is where the heart is
I'm not homeless

Took a picture on the day we met, you were smiling
Looking pretty in a white sundress, it was perfect timing
If you'd have met me just a bit before, I was a hot mess
Lost my home where my heart was, but I'm not homeless

I'm so over being down down down
I'm so fucking high right now
It's you that turned it all around
It doesn't get better than this, come closer and
Tell me you're down down down
To fall in love for real right now
'Cause if home is where the heart is
I'm not homeless

Took that first kiss so serious
I was hoping that you felt it, 'cause I felt it

I'm so over being down down down
I'm so fucking high right now
It's you that turned it all around
It doesn't get better than this, come closer and
Tell me you're down down down
To fall in love for real right now
'Cause if home is where the heart is
I'm not homeless
