

Though I've never been to Venezuela,  
But everything's fine south of the Rust Belt line  
I think I like it, yes those southern cats are really unique,  
Tell me why does the grass always seem greener  
I'm going to take a trip to New Orleans  
Where nobody cares how you shop your wares, long as it sounds good  
Yes, it's all about that spicy cuisine  
Tell me, why does the grass always seem greener  
Gonna skip this town and head on down to Louisiana  
I'm gonna skip this town and head on down, take my advice  
Folks up there will start a fight with a cold chunk of ice  
Let's drink some mash and talk some trash till morning  
Let's drink some mash and talk some trash till morning  
This song's like a lost ship at sea that's the same as wandering
