

Little Company

Andrew Gold

Don't want no insurance
Don't need security
Don't wanna read between the lines
Don't need no fantasy

I'm not looking for you
And you're not looking for me
I'm just looking for love
And a little company

Don't need no big involvement
Don't want to make no plans
Don't need no seal of approval
I ain't no family man

I ain't looking for years
And I ain't selling no dream
I'm just looking for love
And a little company

Just a little company
Just a little company
Just a little company
Is all I really need

Don't want no angels
Don't want to hear no bells
I don't want ideal love
Just want real love

And I'm not setting no goals
For all eternity
I'm just looking for love
And a little company

Just a little company
Just a little company
Just a little company
Just a little...
Just a little...
Just a little...
