BERTIE

It is patently clear  
Any awkwardness here  
Can be cleared up in less than a trice  
Our identity switch  
Who is who, which is which  
We're in need of some solid advice  
There's a painfully simple solution  
It's as plain as the nose on your face

Our collective I.Q.  
Of around 42  
Cannot cope, to be perfectly frank  
All true leaders of men  
Delegate now and then  
Try to keep their minds totally blank  
To appreciate loftier matters
