

## Close Every Door

Andrew Lloyd Webber

Close every door to me, hide all the world from me  
Bar all the windows and shut out the light  
Do what you want with me, hate me and laugh at me  
Darken my daytime and torture my night  
If my life were important  
I would ask, "Will I live or die?"  
But I know the answers lie far from this world  
Close every door to me, keep those I love from me  
Children of Israel are never alone  
For I know I shall find my own peace of mind  
For I have been promised a land of my own  
Close every door to me, hide all the world from me  
Bar all the windows and shut out the light  
La la la la la la  
La la la la la la  
Just give me a number instead of my name  
Forget all about me and let me decay  
I do not matter, I'm only one person  
Destroy me completely then throw me away  
If my life were important  
I would ask, "Will I live or die?"  
But I know the answers lie far from this world  
Close every door to me keep those I love from me  
Children of Israel are never alone  
For we know we shall find our own peace of mind  
For we have been promised a land of our own
