

Lullaby

Andrew Peterson

Well, I haven't got a lot to offer
Just a rhyme and a melody
But I promised I'd write if it took all night
A lullaby for thee

They say there ain't no sleeping in heaven
Baby, that don't mean that you can't dream
So when you close your eyes
Know your mother and I
Pray the Lord your soul to keep
And we never got the chance to hold you
And we never got to tell you goodnight
So we hope you can hear as Jesus cradles you near
Baby, this is your lullaby

So are you running with the angels?
Are you singing with the saints?
Are you throwing a ball against a heavenly wall
Maybe swinging on the pearly gates?

Well there's so much love between us
And so much that I wanna say
I wanna ramble awhile with my beautiful child
Baby, I can hardly wait...
