

# One In A Million

Andrew Rayel

This world can be  
Such a lonely place to hide  
And that's all I see  
Till' you open my eyes for me  
And now I see the light  
And now the future is so bright

I'll hold on tight to you  
Never let it go  
Your love's one in a million  
I'd put up a fight for you  
Can't make it on my own  
Your love's one in a million

And if I lose your heart  
I'm sure I'd fall apart

You are the sun to me  
You're my everything  
Your love's one in a million

One in a million  
One in a million  
One in a million  
One in a million
