My vatos in Cali

I rep that Wash Heights like all day, it's unashamed like cosmay
I try to walk that narrow path, but your boy live off of broadway
I took the A-train to 1-6-8, Dominicanos playing dominoes
And them platanos all on my plate, New York in my mind state
But you know we take it international, we finna to follow anywhere the master goes
So we hang with and bang with every language even though we speaking that Spanish like
Dimelo loco, chacho let's go, vamonos we out here oh
Mi amigos y yo venimos from the West Side to the East Coast so
Ain't nobody rapping like this what
Unashamed the name of my clique yup
Todos los dias, manito, dale ya tu sabe ahh

Aquí con mis hermanos, to give Jesus to these VATOS

And only Yeshua got a raggity due
