

# Hello

Angelo Kelly

Why did we change so fast  
Or did you stay the same  
I thought our friendship would last  
I thought it was our aim  
We used to have a blast  
But now we're just so lame  
The damage has been done  
And now we have become  
Just

Hello  
All that we have is hello

I prayed to God for you  
And for myself as well  
That he would clear the issue  
That he would crack the shell  
I think it's up to us two  
And that the time will tell  
Once we had so much fun  
Now look what we've become  
We're just

Hello  
All that's left is hello

This is the saddest story  
That I have ever seen  
This is yours 'n' my story  
At least for the time being  
This is the saddest story  
Somehow our friendship didn't grow  
This is yours 'n' my story  
Cause the only thing we're left with is

Hello, hello, say!

I will remember you  
Like when we were just kids  
The things we used to do  
Yes we were just kids  
I will remember you  
As my loving friend  
I will remember
