

Searching

Angelo Kelly

Searching for a heart of gold,
Is something Neil Young said,
And man, he was right.

'cause of we ain't searching,
If we ain't searching,
If we ain't searching,
If we ain't searching,
If we ain't searching,
Then why, why are we here for.

On the search for a golden harp,
Is something my old man said,
I try to do my best.

'cause of we ain't searching,
If we ain't searching,
If we ain't searching,
If we ain't searching,
If we ain't searching,
Then why, why are we here for.

I believe, one day I'll find what I seek,
Deep in my heart I believe, one day,
I'll find, one day I'll find what I seek.

If we ain't searching,
If we ain't searching,
If we ain't searching,
If we ain't searching,
If we ain't searching,
Then why, why are we here for.
