God, the Devil [2x]

They came here to try and kill us  
It no longer matters what they are  
Now they must die  
They'll be slaughtered, corpses  
Left to rot in their graves like filth

This is what has to be done...

They came here to try and kill us  
Now they must die  
They'll be slaughtered, corpses  
Left to rotting in their graves like filth  
This is just the way it is  
This is what has to be done  
And no one has the power to change that  
Not the God, the Devil or you!

Not God, the Devil
