

## Gas Chamber

Angry Samoans

Gas chamber!  
Where's the light?  
Stay at home  
Don't feel right  
I'm in my room  
All the time  
Trapped inside  
This twisted mind  
Gas chamber!  
Cannot breathe  
Time for lunch  
Cannot leave  
I'm in my room  
All the time  
I'm trapped inside  
This fucking mind!  
No action  
No no!  
No action  
Gas chamber  
No  
No action!
