

Joyful Girl

Ani DiFranco

I do it for the joy it brings
Because I'm a joyful girl
Because the world owes me nothing
And we owe each other the world
I do it because it's the least I can do
I do it because I learned it from you
I do it just because I want to
Because I want to

Everything I do is judged
And they mostly get it wrong
But oh well
'Cuz the bathroom mirror has not budged
And the woman who lives there can tell
The truth from the stuff that they say
And she looks me in the eye
And says would you prefer the easy way?
No, well O.K. then
Don't cry

And I wonder if everything I do
I do instead of something I want to do more
The question fills my head
I know that there's no grand plan here
This is just the way it goes
And when everything else seems unclear
I guess at least I know

I do it for the joy it brings...
