

# I Never Had A Chance

Anita O'Day

I never had a chance  
I thought you cared for me  
But now I see I never had a chance  
I never had a chance  
Though you never told me so  
Somehow I know I never had a chance

I knew we'd have to part  
For I could always reach your lips  
But I could never reach your heart  
My dream about romance ended in a friendly chat  
But more than that I never had a chance

I guess there's nothing to do and nothing to say  
But simply go on my way and call it a day  
I guess I'm ready to go right back on my shelf  
Because at last I've learned, where you're concerned  
I've just been fooling myself

I never had a chance  
Though you never told me so  
Somehow I know I never had a chance

My dream about romance ended in a friendly chat  
But more than that I never had a chance  
Never had a chance
