

Medley: There Will Never Be Another You / Just Friends

Anita O'Day

There will be many other nights like this
And I'll be standing here with someone new
There will be other songs to sing, another fall, another spring
But there will never be another you

There will be other lips that I may kiss
But they won't thrill me like yours used to do
Yes, I may dream a million dreams but how can they come true
If there will never ever be another you

There will be other lips that I may kiss
But they won't thrill me like yours used to do
Yes, I may dream a million dreams but how can they come true
If there will never ever be another you

Just You

I was resting comfortably, face down in the gutter
Life was serene, I knew where I was at
"There's no hope for him," my dearest friends would mutter
I was something dragged in by the cat. Then
Just in time, I found you just in time
Before you came my time was running low
I was lost, the losing dice were tossed
My bridges all were crossed, nowhere to go
Now you're here and now I know just where I'm going
No more doubt or fear, I found my way
For love came just in time, you found me just in time
And changed my lonely life that lovely day
