

# Haywire

**Ann Beretta**

Talking to a friend of mine the other day he says  
I dont know what im doing man I got nowhere to stay  
I said my doors always open so brother dry your eyes take off y  
our hat and come inside and  
I don't know whats become of us at all everything went haywire  
and  
I'm walking on the fault everything went haywire and I'm walkin  
g
