

Aural Exam

Anna Abreu

X to the O to the O to the X (4x)
What it takes for you to say that you X me
When you move you X, you better not trust me
And Then X me, X me not
And then love me, love me not
I will lose my mind when you X me just like that
When you touch my X, I know I'm gonna be bad
X is patient, X is kind
Love is patient, love is kind
You've got to fill in the blanks
In my aural exam
Gotta crack the code
Gotta find your way in my labyrinth
X me or X me not
It's on the tip of my tongue
But I won't spit it out
My lips are sealed
I'm not the queen of kiss and tell
X me of X me not
X to the O to the O to the X (2x)
I wanna a play a dirty round of strip tic-tac-toe
Lay your hands on my X, you can make my blood flow
And then X me, X me not
And then love me, love me not
Baby boy sin eu vou procurar-te
se nao vens comigo eu vou ai buscar-te
X ain't evil, X is true
Love ain't evil, Love is true
You've got to fill in the blanks
In my aural exam
Gotta crack the code
Gotta find you way in my labyrinth
X me or X me not
It's on the tip of my tongue
But I won't spit it out
My lips are sealed
I'm not the queen of kiss and tell
X me or X me not (2x)
