

# Be With You

Anna Abreu

I don't know  
How I feel  
What is going on

I had it all  
I was sure  
but you messed me up

You made me lie  
you made me cry  
you made me breath again

and I wanna be with you  
I just wanna be with you

And I know that we're hurting the ones that we love  
but I don't care  
And I know that it's wrong to feel this way  
but I don't care

I just wanna be with you  
I just wanna be with you  
I just wanna be with you  
Be with you

we live this lie  
we just pretend  
like everything's alright

I guess it shows  
I guess they know  
that there is something wrong

but I'm afraid  
to move on  
so won't you help me please

cuz I wanna be with you  
I just wanna be with you

And I know that we're hurting the ones that we love  
but I don't care  
And I know that it's wrong to feel this way  
but I don't care

I just wanna be with you  
I just wanna be with you  
I just wanna be with you  
Be with you

I just wanna be with you  
I just wanna be with you  
I just wanna be with you  
Be with you

And I know that we're hurting the once that we love  
but I don't care

And I know that it's wrong to feel this way  
but I don't care  
I just wanna be with you
