

Ivory tower

Anna Abreu

I'll be here for you baby,

Quero ver ya

I never knew it could feel so funny

Like a gambling game when you got no money

The stakes are high and I might just lose you

I don't know why but I think that you do

I don't know, I don't know, I don't know was it mine or your mistake

Let me see, let me see, let me see did I make you walk away

Uptown, downtown, all around they're telling all kind of lies

But I'm now and I'm here and I want you to open up your eyes

I'll be here for you baby

Oh, can't you see I miss you so bad, I go crazy

You could have it all, the beauty, the power

If you just come and step down from your ivory tower

Eu pensei que foste tu que deixas-te

Mas fui eu, e tu sempre me amas-te

I guess I took you too much for granted

And made you feel so alone and stranded

I don't know, I don't know, I don't know was it mine or your mistake

Let me see, let me see, let me see did I make you walk away

Uptown, downtown, all around they're telling all kind of lies

But I'm now and I'm here and I want you to open up your eyes

I'll be here for you baby

Oh, can't you see I miss you so bad, I go crazy

You could have it all, the beauty, the power

If you just come and step down from your ivory tower

I could use my magic potion

But it might not make you stay

I could talk so much to turn your head

But you'd just walk away

So instead I'm at your front door

Making a fool out of myself

When you open up and look me in the eye

Nao te podes defender

I'll be here for you baby

Oh, can't you see I miss you so bad, I go crazy

You could have it all, the beauty, the power

If you just come and step down from your ivory tower
