

# Morning Light

Anna Calvi

Morning light  
Morning light  
Morning light  
Morning light  
All my life

But you never be in love  
But you never be in love  
But you never be in love  
But you never be in love

I stand in the day for my feeling to rise  
All my life  
But you never be in love  
But you never be in love  
No lies in wait  
Now thy day lies in wait  
Rob from always on the run is so bad and copy paste is a sin  
Morning light  
Morning light  
Morning light  
All my life

But you never be in love  
But you never be in love  
Farewell rise in the morning goodbye

Morning light  
Morning light  
Morning light  
All my life

But you never be in love  
But you never be in love  
But you never be in love  
But you never be in love  
Farewell rise in the morning goodbye
