Bad for Me

Anna Graceman

Gasping for air when I'm breathing you in
Fire in your stare turn my walls into ashes
Stand at the edge, have I already fallen?
Start to forget, or I'm simply ignoring

I'm no good for you and you're bad for me
Maybe we are consumed by the tragedy
Cause we're getting lost in the game
Always fighting fire with flames
I'm no good for you and you're bad for me
Bad for me

I see you best when we're here in the dark
Drums in my chest, have we taken it too far?
Sweet on your lips, any lie would convince me
Hard to resist and it's got me forgetting

I'm no good for you and you're bad for me
Maybe we are consumed by the tragedy
Cause we're getting lost in the game
Always fighting fire with flames
I'm no good for you and you're bad for me
Bad for me

Bad for me
Tragedy

If we're wrong for each other
Why do we try so hard
At trying to keep this together
Even when we fall apart
Yeah we're wrong for each other
But we try so hard
I guess we're better together
Than we are when we're apart

I'm no good for you and you're bad for me
Maybe we are consumed by the tragedy
Cause we're getting lost in the game
Always fighting fire with flames
I'm no good for you and you're bad for me
Bad for me

Cause we're getting lost in the game
Always fighting fire with flames
I'm no good for you and you're bad for me
Bad for me
