

## Reasons

Anna of the North

I know I said some things that I  
I know I said some things that I regret  
I'll take a step back  
I know I said some things that I  
I know I said some things that I regret  
I'll take a step back

But I don't wanna go when you come home  
I don't wanna go when you come home  
Hmm, hmm, I don't wanna leave you alone  
No, I don't wanna go when you come home  
I don't wanna go when you come home  
We've been doing this for too long  
I know, you know, we both know  
And we got
