

Bow Your Head

Anna Ternheim

Let's give it up for the rain
Heavy fall and a halo
Hours of holding the time
Like a stone in the palm of your hand
Lovely days by your side
Not even once, I never saw signs of trouble

Bow your head...

Let's give it up for the fool
Words falling carelessly
Each joke holds a belief
For sad people like you and me

Bow your head...
All for the loveliness

Let's take a walk on the beach
Feel the sand beneath our feet
Fall asleep in the shade
After a swim in the ocean
Get dry on sandy rocks
Not even once, I never saw signs of trouble

Bow your head...
For all the loveliness
