

Only Be Lonely

Annihilator

We've been apart a long time, it feels like years
The memories bring tears
Good times, I think of all the good times
To keep my sanity 'til I get home

And I know it's not how we planned it
It's crazy world out there
Just hold on to the world we share

I'll only be lonely for you, oh
I'll only be lonely for you

Just remember as life goes by, what we have will never die
I'll always be waiting there for you
How long, it doesn't matter how long
'Cause time can never take you from my soul

And I know it's not how we planned it
It's crazy world out there
Just hold on to the world we share

I'll only be lonely for you, oh
I'll only be lonely

Good friends are hard to find
Believe me it's true
I'll only be lonely for you
Lonely for you

And I know it's not how we planned it
It's crazy world out there
Just hold on to the world we share

I'll only be lonely for you, oh
I'll only be lonely for you
I'll only be lonely for you

I'll only, I'll only, I'll only be lonely
Only be lonely for you
I'll only, I'll only, I'll only be lonely
I'll only be lonely for you

I'll only, I'll only, I'll only be lonely
I'll only be lonely for you
I'll only be, I'll only be, I'll only be lonely
Lonely for you
