

Anyone / Your Love

Anthem Lights

Dance with me under the diamonds
See me like breath in the cold
Sleep with me here in the silence
Come kiss me, silver and gold

You say that I won't lose you, but you can't predict the future
So just hold on like you will never let go
Yeah, if you ever move on without me
I need to make sure you know that

You are the only one I'll ever love (I gotta tell ya, gotta tell ya)
Yeah, you, if it's not you, it's not anyone (I gotta tell ya, gotta tell ya)
Lookin' back on my life, you're the only good I've ever done (Ever done)
Yeah, you, if it's not you, it's not anyone (Anyone), not anyone

Josie's on a vacation far away
Come around and talk it over
So many things that I wanna say
You know I like my girls a little bit older

I just wanna use your love tonight
I don't wanna lose your love tonight

You are the only one I'll ever love (I gotta tell ya, gotta tell ya)
Yeah, you, if it's not you, it's not anyone (I gotta tell ya, gotta tell ya)
Lookin' back on my life, you're the only good I've ever done (Ever done)
Yeah, you, if it's not you, it's not anyone (Anyone), not anyone

Yeah, you, if it's not you, it's not anyone (Anyone), not anyone

Yeah, you, if it's not you, it's not anyone (I gotta tell ya, gotta tell ya)
I don't wanna lose your love tonight
Lookin' back on my life, you're the only good I've ever done (Ever done)
Yeah, you, if it's not you, it's not anyone (Anyone), not anyone
