

Do It Again

Anthem Lights

Walkin' around these walls
I thought by now they'd fall
But you have never failed me yet
Waiting for change to come
Knowin' my battle's won
For You have never failed me yet

Your promise still stands
Great is Your faithfulness
Faithfulness
I'm still in Your hands
This is my confidence
You've never failed me yet

I know the night won't last
Your world will come to pass
My heart will sing Your praise again
Jesus, You're still enough
Keep me within Your love
My heart will sing Your praise again

Your promise still stands
Great is Your faithfulness
Faithfulness
I'm still in Your hands
This is my confidence
You've never failed me yet

I've seen You move, You moved the mountains
And I believe, I'll see You do it again
You made a way when there was no way
And I believe I'll see You do it again, oh
I'll see You do it again, oh

Your promise still stands
Great is Your faithfulness
Faithfulness
I'm still in Your hands
This is my confidence
You've never failed me yet

Your promise still stands
Great is Your faithfulness
Faithfulness
I'm still in Your hands
This is my confidence
You've never failed me yet
