

I'm Not Going Anywhere

Anthem Lights

Open down, flaws and all
Let me in, I'll catch you fall
I wanna see your light, darker in between
Nobody's perfect and I don't expect you to be
The good and the bad is what makes it so perfect to me

Doesn't matter where you've been, no I don't care
Everybody makes mistakes
I'M NOT GOING ANYWHERE
Doesn't matter what you've done
Know I'll be there
I will never walk away
I'M NOT GOING ANYWHERE
Shout out your secrets and whisper your lies
There's no need to run girl, there's no need to hide
Doesn't matter where you've been, no, don't be scared
I'M NOT GOING ANYWHERE

We could be (we could be)
The perfect past (the perfect past)
See you make up (you make up)
For what I last
And I'll hold your hand when you can't stand up on your own

Nobody's perfect and I don't expect you to be
You know where I stand so I hope you say this to me!

Doesn't matter where you've been, no I don't care
Everybody makes mistakes
I'M NOT GOING ANYWHERE
Doesn't matter what you've done
Know I'll be there
I will never walk away
I'M NOT GOING ANYWHERE
Shout out your secrets and whisper your lies
There's no need to run girl, there's no need to hide
Doesn't matter where you've been, no, don't be scared
I'M NOT GOING ANYWHERE

Yeah, I ain't going nowhere like the bills when you don't pay them
Just kidding, everybody left you 'cause it's by mistakes
Girl just know that I wouldn't
There ain't no need for you to be scared of
Me, even you, 'cause baby I'm aware of the better mane you make me
Doesn't really take me, a long time to figure out that I care of
Meaning that I stepped up when I met you
You are out of my league, girl you know it's true
But I'm glad that you ???
I became a man 'cause of you oh
There's a bloat in my ego
But no matter where we go
You ain't ever gotta worry
We gonna write our love story
I ain't going nowhere sow

Doesn't matter where you've been, no I don't care
Everybody makes mistakes

I'M NOT GOING ANYWHERE
Doesn't matter what you've done
Know I'll be there
I will never walk away
I'M NOT GOING ANYWHERE
Shout out your secrets and whisper your lies
There's no need to run girl, there's no need to hide
Doesn't matter where you've been, no, don't be scared
I'M NOT GOING ANYWHERE
